© Systems Office Furniture

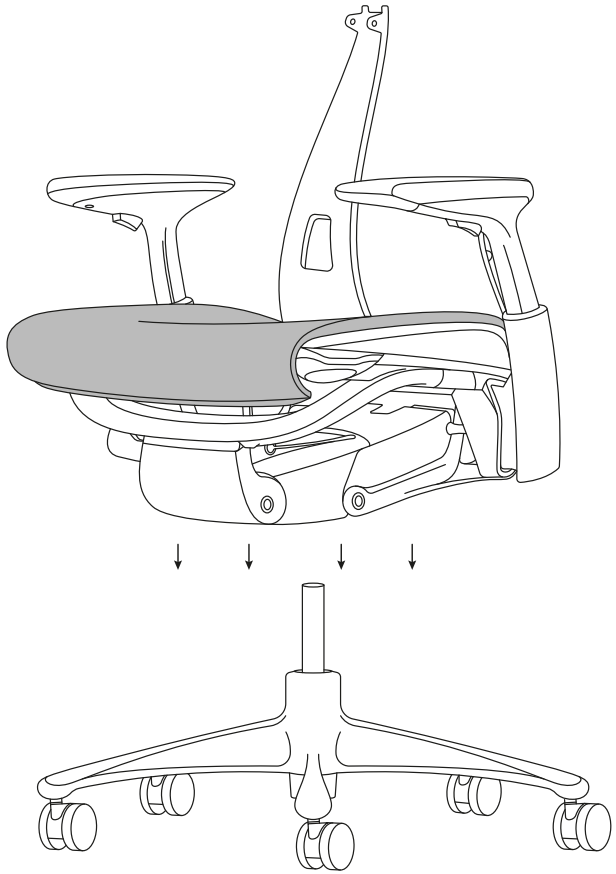
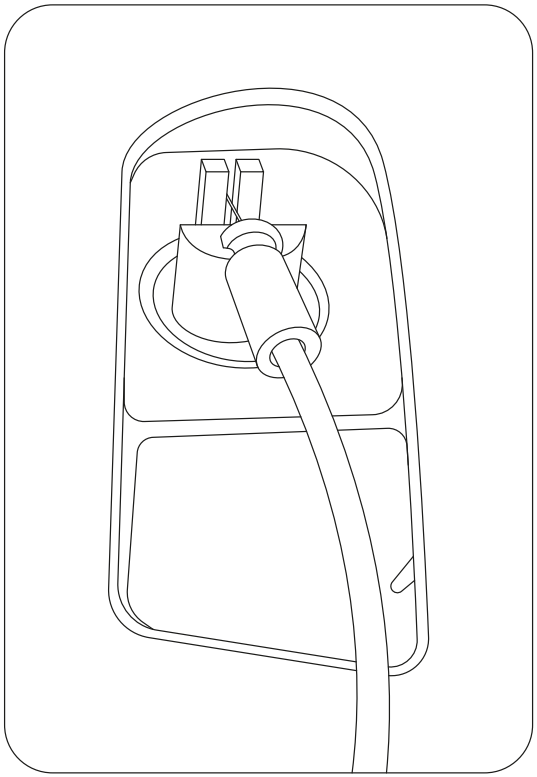
Step Three

Place chair body on cylinder shaft with the cable activated lever facing away from the cable end.



Step Four

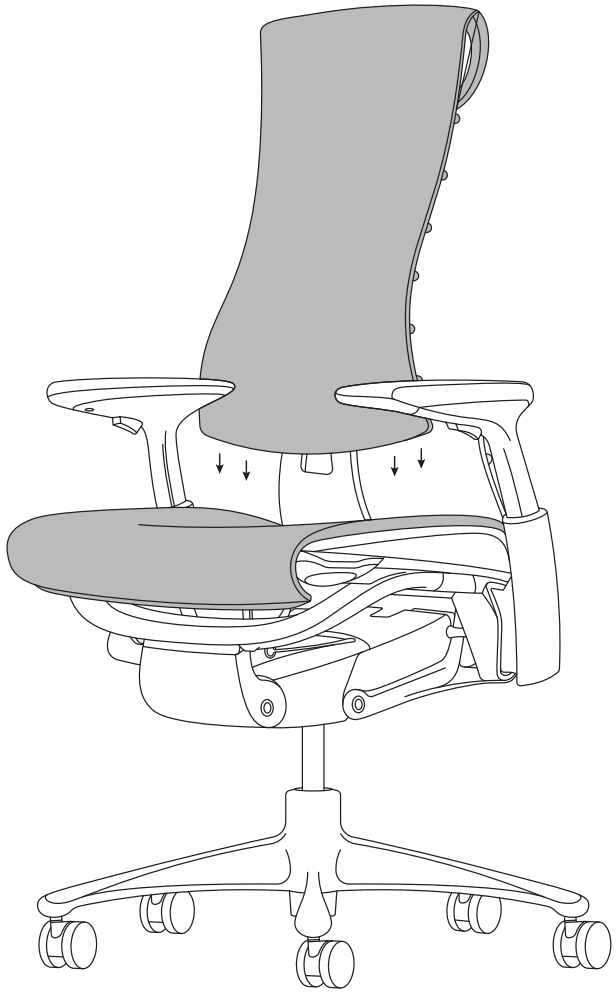
Hook cable ball end on the activation lever and snap the plastic collar into place.



© Systems Office Furniture

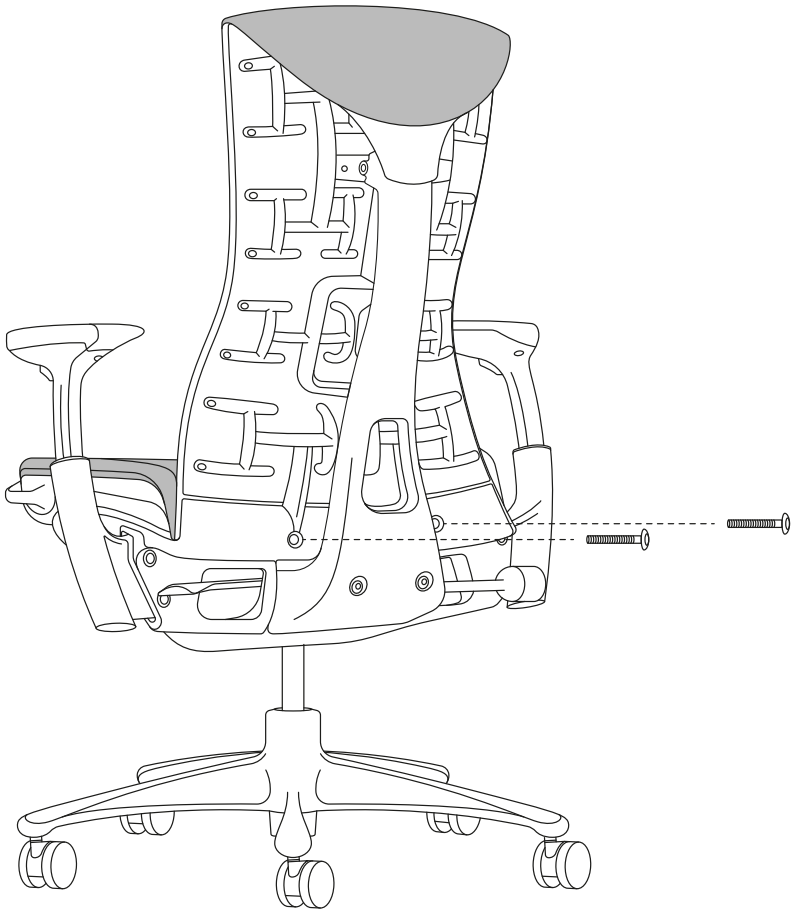
Step Five

Place chair back on chair body
and align screw holes.



Step Six

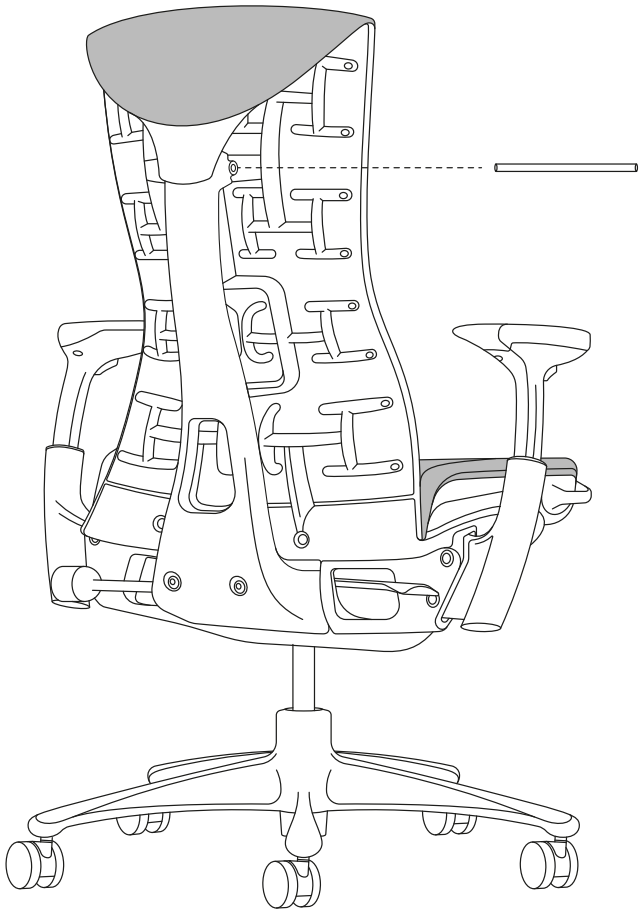
Fasten (2) screws at the chair back base and
tighten using the provided allen key.



© Systems Office Furniture

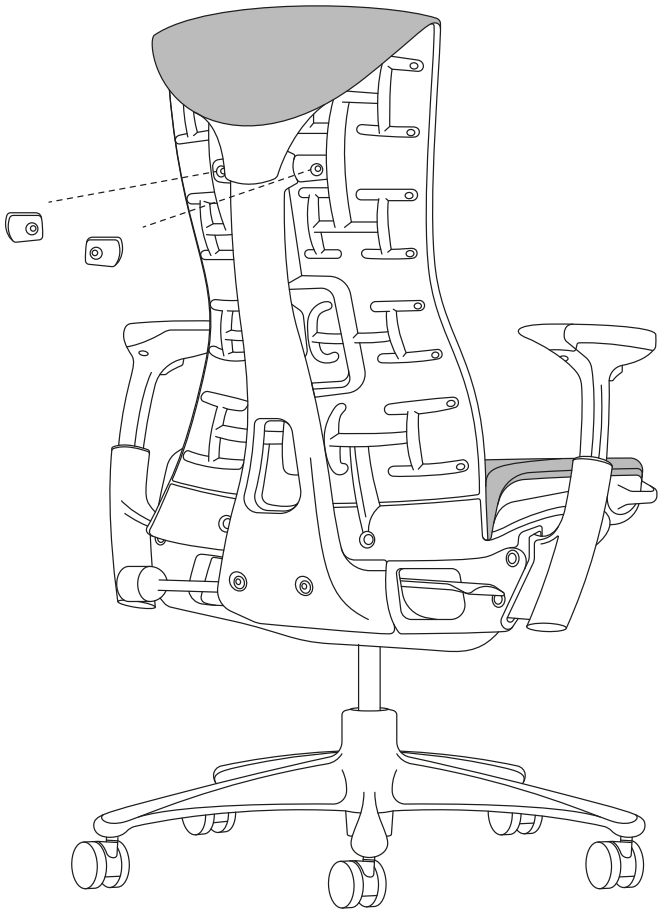
Step Seven

Align the chair back pin holes and insert the pin.



Step Eight

Take both black plastic clips and identify by looking inside them to see which one is for the left and which is for the right. Snap them into place and secure them with the provided screws. Then tighten those screws with a Phillips screwdriver *Not provided.



Enjoy your Chair!
